

PV POLICE OFFICERS ASSOCIATION ENDORSES SANDY DAVIDSON FOR PVE CITY COUNCIL

Non-Tax Revenue!

At the PVE Council meeting October 8, 2020 I restated my opposition to new taxes. At same Council meeting I was elected to spearhead the Non-Tax Revenue Ad Hoc w/V.Lozzi I have steadfastly proposed Non-Tax Revenue sources for more than 1 Year

I Propose:

Grant Revenue:

- Why is PVE the only city not applying for grant revenue?
RPV and RHE are flush with grant funding. This is a must for PVE.

Concession Events:

- Golf Club, Beach Club, Tennis Club and Stable events to raise revenues to benefit city, residents and members.

Engage Community Residents:

- Finding solutions and resolutions for alternative revenue.
Provide opportunities for supporting government services and business footprint.

*I Am Committed
to Finding Alternative
Non-Tax Revenue
