

# WHY DID THE CHICKEN CROSS THE ROAD?

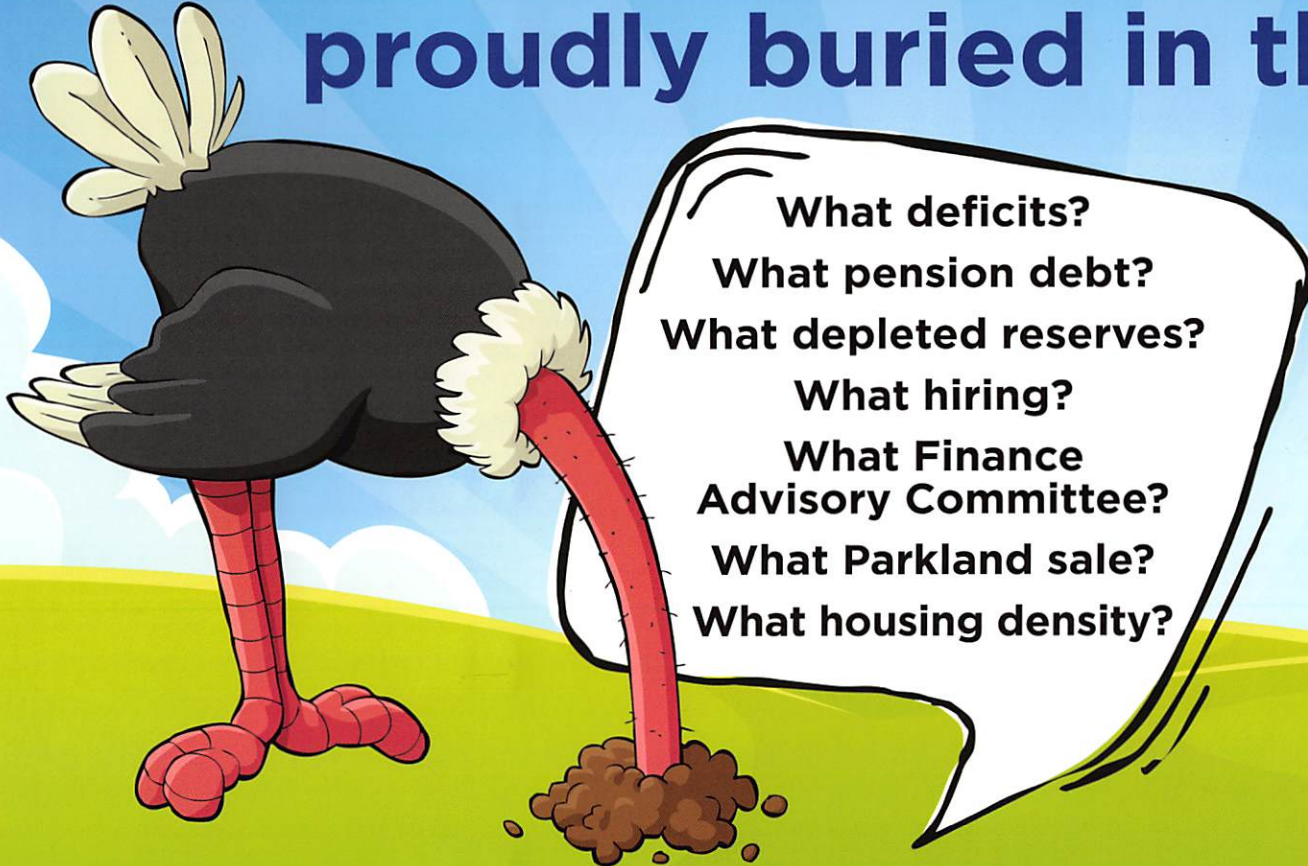

**We live in one of the most  
beautiful places in the world.**

**It's time we start acting like  
the adults in the room.**

**New leadership with practical  
business and finance experience  
is desperately needed.**

# The incumbents have their heads proudly buried in the sand.

What deficits?  
What pension debt?  
What depleted reserves?  
What hiring?  
What Finance  
Advisory Committee?  
What Parkland sale?  
What housing density?

**Four more  
years with  
no solutions?**

**Let's stop hiding from  
our challenges and  
tackle them together.**
