## PALOS VERDES ESTATES CITY COUNCIL

*Dear Friends and Neighbors,*

*Like many of you, my family and I choose to call Palos Verdes Estates home because of the unparalleled quality of life our City provides. PVE consistently ranks as one of the safest communities in California, our school system is outstanding, and our ocean and pastoral views are breathtaking.*

*It is the City Council's responsibility to listen to the community, balance the interests at stake and make decisions that best reflect our collective vision of a better PVE. I believe my experience and leadership qualities will help us navigate our challenges and advance our opportunities with confidence and stability as we work to preserve and strengthen our City's legacy. You have my continued commitment to address the issues and concerns of the City and its residents with honesty and integrity.*

*I respectfully ask you to support my candidacy when you vote on March 5th.*

*Sincerely,*

*Jennifer*

## PALOS VERDES ESTATES CITY COUNCIL

### Proven Record of Civic Engagement

- Palos Verdes Estates City Council Member
- Palos Verdes Estates Planning Commission, former Member
- Palos Verdes Estates Parklands Committee, former Chair
- League of California Cities, President, Los Angeles County Division
- California Joint Powers Insurance Authority, Member, Executive Committee
- Peninsula Education Foundation, former Treasurer

### On Behalf of Our Community

- Protected local community interests in the face of state directives concerning housing density, coastal access and cell towers
- Increased residents' engagement through the Citizens' Academy, four new advisory committees and the first ever city-wide survey
- Sought and implemented third-party recommendations to achieve efficiency and cost savings in City services
- Enhanced transparency and communication with residents through daily accessibility, community meetings, social media and OpenGov portal
- Spearheaded the voter-approved measure to retain the City's police department and sustain our high level of service and rapid response times

*Partial list*

### Focused on Issues Important to Us

**Fiscal Responsibility** - Ensure long-term fiscal accountability and stability without sacrificing core City services

**Environment** - Support the protection and restoration of our parklands and coastline

**Responsible Growth** - Implement and improve the neighborhood compatibility process to balance community concerns with responsible residential development

**Public Safety** - Support our local Police Department to maintain safety and responsiveness while keeping cost containment a priority

**Local Control** - Advocate for local control to protect and preserve our community character and quality of life
