A Vote for

New Leadership

Preserve and Maintain

- City Character
- Public Safety
- Parklands
- City Services

Financial Management

- Balanced Budget
- Long-Term Planning
- Capital Improvement
- Liability Management

Victoria is the most well-rounded candidate and will work to balance city operations and finances

- Maximize city services while working within budget constraints
- Analyze and improve the efficiency of all city operations
- Encourage resident involvement, communication, and support
- Set clear expectations and hold staff accountable for results
- Plan for and invest in infrastructure and capital improvements
- Develop and execute a plan to manage our pension liabilities

“I think we need to deviate from ‘business as usual’ to make sure we are strategically improving our City operations and planning for the future.”
