

"With 39 years of law enforcement experience, operational expertise, and risk management background, I will work to ensure PVE is run efficiently and effectively, in a financially solvent manner, while maintaining the extraordinary quality of life we enjoy in PVE. With also having managed a non-profit that provides health insurance benefits to more than 16,000 active and retired LAPD officers, I will bring a unique perspective to PVE's long term safety and financial sustainability strategies.."

Kevin McCarthy

*for Palos Verdes Estates City Council
