OPPOSE Dez Myers for Council

- Myers opposed every single police funding measure in Palos Verdes Estates.
- Myers actively supported outsourcing police services to the Los Angeles County Sheriffs Department.
- Myers supported outsourcing police services to the Los Angeles County Sheriff's Department (LASD) even when the official report submitted to Council refuted her points that LASD would provide more patrols, faster response times and be exclusively assigned to PVE.
- Myers indicates she is supported by public safety, but 100% of your Palos Verdes Police Officers Association members OPPOSE Dez Myers for Council.

That's why we have joined Redondo Beach Mayor Bill Brand and endorsed David McGowan, Michael Kemps and Victoria Lozzi for Palos Verdes Estates City Council.
