

SCHOOL FACILITIES IN THE PALOS VERDES PENINSULA UNIFIED SCHOOL DISTRICT ARE DETERIORATING.

The average age of our schools is 60 years old and most are in need of major repairs. The quality of our facilities is falling behind that of our neighbors.

These are actual pictures from around the school district. Your vote can make a difference.

ON MEASURE PV

Our students deserve better!
Help them by VOTING YES on Measure PV.

MEASURE PV WILL:

- ✓ Ensure all funds go directly to our PVPUSD schools.
- ✓ Retrofit our facilities to meet new statewide seismic safety standards.
- ✓ Increase access to safe, good-quality drinking water.
- ✓ Attract young families to our district and protect our property values.
